

RECENT OPERATIONS

By Paul Rardin

I've been a busy man this week—building county roads. I haven't had much time to find items for this column. However, I see by a story on this page that Mayor O. B. McClure isn't going to offer for re-election this year. I also see that A. I. "Bud" Davis is a candidate for councilman from group two. Those two along with Altman Morgan in the race for police chief just about make up the list thus far.

Carmen Salvatore will be a candidate for re-election as a member of the county school board.

McClure Will Not Seek Re-Election As Pahokee Mayor

O. B. McClure, mayor of Pahokee for four years, today announces that he will not be a candidate to succeed himself. A letter from him to the editor is self-explanatory. It follows:

Mr. Paul Rardin
Canal Point, Florida.
Dear Sir:

Please accept my thanks to you for your kindness as a personal friend and also your paper during my administration as Mayor of the City of Pahokee. I also wish to thank the city officials, the city employees and the general public for their fine cooperation during the past three and three-quarter years. I have given my best as a judicial officer and I am grateful to the public for their general support. I do not choose to run this year.

Very truly yours,
O. B. McClure.

Scouts To Operate Pahokee For A Day

The city of Pahokee has invited members of Pahokee Boy Scout Troop 23 to be honorary officials of the city for one day, Wednesday, Feb. 13, during the celebration of National Boy Scout Week, Feb. 8-14.

At a meeting on Thursday night of last week the troop elected the following to serve as officials: John T. Pickett, Jr., mayor; Jack Chances, chief of police; Earl Chance, fire chief; Leland Shirley, city clerk; Williams Guerry, Frank Cline, Jr., and Huston Connell, deputies; Eddie Stanley, Frank Rozelle, Jr., and George Belk, Jr., councilmen; Dickie Johnson, jailer; Ray Hatton, garbage collector; Murray Weeks, James Barnes, Ralph Chaney, Jerrold Berry, George Rozelle and Jackie Thomas, volunteer firemen.

Also during scout week Troop 23 will have a scout handicraft exhibit on display in the show windows of Kahn's Department Store.

At Thursday night's meeting a new patrol was formed to absorb new members who recently joined the troop, the membership now totaling 38. To raise funds for the purchase of new uniforms for every scout plans were announced by Scoutmaster Jack Phillips for troop sponsorship of a series of benefit social affairs. The scouts will sponsor skating parties at the Maxwell House rink and on Saturday, March 2, they will sponsor a chicken pieau dinner for the public at the Pahokee Woman's Club from 6 to 10 p. m.

18 Vets Of World War 11 Join Legion Post In Pahokee

Eighteen veterans of World War II signed up for membership in Fred and Percy Mansfield American Legion Post 90 at a business meeting held by the post in the Pahokee Woman's Club building Monday night. They were Earl A. Lindrose, Louis Gold, A. P. Tillery, Park Keen, W. S. Brewton, Edgar W. Wilder, Billy Stuckey, John Padgett, Gordon Hillier, John "Buddy" Cochran, Jerry Gold, Leonard Dobrow, John Strayer, Harlow C. Sims, Francis W. Cross, Jr., Francis A. Wilson, Jack Wilson and William E. Wilson.

J. Stanton Chastain, post commander, presided at the business session. The question of changing the name of the post was brought up at the meeting, however, it was decided not to take action on this matter at the present. The group voted to cooperate with the Elks Lodge in the joint sponsorship of a carnival and fair to be held on the Elks grounds in Pahokee, starting Feb. 14. The building of a new Legion Home for Post 90 was discussed but it was decided to postpone definite building plans until there was some assurance that all building materials necessary to complete the home can be obtained.

Preceding the business, members of Post 90 and the Legion Woman's Auxiliary held a joint dinner meeting in the clubhouse with members of the Auxiliary in charge of dinner arrangements and the serving. Plates were laid for 85.

DeMoya Renamed To Head The RDB

F. P. deMoya, who has served one year as president of the Palm Beach County Resources Development Board, was re-elected unanimously last Thursday night at the annual meeting held in West Palm Beach. A few weeks ago Mr. deMoya was re-elected to serve another term as Pahokee's director on the board. The entire Everglades section of Palm Beach county is proud of the fact that "Pete" is again to be head of this ever growing organization.

Changes Are Made In Precinct Lines

County Commissioners, at a special meeting, Tuesday afternoon, changed the boundaries of voting Precincts 38 and 39 for the convenience of residents of the Road 26 section in the southern part of Precinct 38.

The new set-up cuts off the southern part of Precinct 38 and includes it in Precinct 39, so that voters residing on Road 26 may vote in South Bay instead of in Belle Glade.

It was pointed out at the meeting that the southern part of Precinct 38 is cut off from the northern part under the old set-up, and that voters residing on Road 26 in the southern precinct were obliged to travel out of the precinct, through South Bay, to get to the Belle Glade voting booth.

Commission Chairman John Prince said the new set-up would also more nearly equalize the population of the precincts. Precinct 38 formerly had a population of 12,400 while 39 had but 3,405.

FOUR IN RACE

County Representative J. H. (Little Joe) Peeples of Glades County will be opposed for re-election by R. Boe and R. D. Lyons of Moore Haven and Herman Close of Lakeport.

Official Figures On Glades Population

Below we have compiled some interesting figures as they have to do with the population in the various voting precincts in the Everglades section of Palm Beach County. The figures are official and are taken from the Florida State Population Census of 1945.

Power Co. Spends Millions To Keep Pace With Stupendous Growth Of State

The Florida Power & Light Company announced today the completion of the new 66,000 volt transmission line connecting the Glades area with the Ft. Lauderdale Plant and transmission system. On the morning of February 7th this new transmission line, 67 miles long, was permanently connected to the Company's substation at Belle Glade.

The Lauderdale-Glades line is but one unit in the Company's present two-year \$24,000,000 construction program. This construction program is the largest since the interconnected system was built during 1925 and 1926, that interconnected numerous towns and communities in Florida. Until then, small isolated plants served these many towns. The new transmission line serving the Everglades area is directly connected with the huge Lauderdale Steam Electric Station. From the Lauderdale plant, the line parallels State Road 26 to South Bay and thence along the Chosen Road to the Belle Glade substation.

The magnitude of the work involved in its construction may be seen from the fact that 950 poles were used. If placed end to end, they would extend a distance of 10½ miles. Approximately 150,000 man hours of labor went into its fabrication. 200 miles of 2-0 wire weighing 460,000 pounds were strung as conductors. Six piles of guy wire and eleven miles of pole grounding wire were used. There were hundreds of thousands of minor items such as crossarms, bolts, nuts and washers used, as well as the major items. It took approximately 37 flat cars to transport the poles, 15 cars for the wire and 10 cars for insulators and the hardware. The line was constructed through that portion of the Everglades where water and muck varies from two to ten feet in depth.

In order to set the poles firmly, it was necessary to penetrate the flint-like rock below the muck for a distance of two to four feet. Penetrating this rock proved to be a major operation that taxed the ingenuity of blasting and explosive experts, including Demolition Crews of the U. S. Navy. The line is located from 100 to 200 feet from the road and for a great part of the distance traverses virgin Glades swamps. In many places along the line, it was impossible for ordinary vehicles to work. Tractors had to be improvised with pole setting equipment such as has been used nowhere else in the construction of other transmission lines. The construction of this line was a major accomplishment

and now becomes part of the Company's state-wide transmission system.

In addition to the construction of transmission lines, the Company has placed in service during the past 30 days a new 18,000 kilowatt steam plant at Savanola. At Riviera their new 42,000 kilowatt steam plant is now well under way and it is expected that this huge station will be in service late this year. A further addition is an 18,000 kilowatt unit to be added at the Company's Sanford plant. The equipment will soon be ordered for this unit and construction started.

To further augment all of the above electric capacities, another 42,000 kilowatt steam plant is being designed and will be located somewhere on the lower East Coast. The total capacity of the four new plants will exceed the Company's state-wide system demands prior to 1940.

Substations, transmission lines, and distribution facilities will be strengthened and increased to handle this huge amount of power. All will be used to serve the new farms, homes and industries, the Company confidently expects to locate in Florida. It is natural that Company officials should turn their minds back to the days when power was first brought to the Everglades. In 1925 Florida Power & Light Company installed its first plant to serve the Pahokee-Canal Point area—its total capacity was 160 kilowatts, less than enough to serve the average celery pre-cooler now operating in the Glades. In 1929 a plant was located in Belle Glade with a total capacity of 60 kilowatts. This plant would be unable to operate the 82 kilowatt potato machine now being used at the Pahokee State Fishers' Market. The growth of the area was so large and rapid that in 1937 the Company extended 43 miles of 66,000 volt transmission line from Okeechobee to Pahokee. Belle Glade and Pahokee were then connected with a 13,000 volt tie line.

Early in 1941 the growth of the southern area of the Glades including Belle Glade, South Bay and Lake Harbor, was so great that the 66,000 volt transmission line was extended from Pahokee to Belle Glade and a 3,000 kilowatt substation was constructed and placed in service at Belle Glade.

The use of the new line from Ft. Lauderdale insures the Everglades area of continuity of service, and power capacity to match their growth. With this new line operating, two sources of power are (Continued On Page 8)

Scouters To Start Budget Drive With Monday Breakfast

Officials of the North Glades District Council of the Gulf Stream Boy Scouts will make a concerted effort next week to raise annual budget in cash. In order that plans may be perfected a breakfast will be held at Tabbs' Cafe on Monday morning at 8 o'clock, according to Otto Blech who fell heir to the job of chairman of the drive.

All designated workers will be in attendance at the breakfast. Mr. Blech hopes and teams will be assigned to work in various sections of Pahokee and Canal Point. Mr. Blech and other officials of the Scout organization are anxious that the drive be completed in one day and in not more than two at the most.

Mrs. Tabb Sells Her Cafe In Pahokee

Mrs. J. C. Tabb has sold her cafe in Pahokee to a Mr. Davis of Miami who will take charge on Monday morning. Mrs. Tabb is anxious that holders of trade cards bring them in for redemption before Monday.

A. I. "Bud" Davis To Seek Council Seat

A. I. "Bud" Davis, of Pahokee announces his candidacy this week for membership on Pahokee city council, subject to the will of the voters in the annual election to be held on May 7, 1946. Mr. Davis is running in group two, now represented by W. A. Keen on the council. Mr. Keen has not made a public statement in regard to seeking another term on the council.

Mr. Davis came to Pahokee in 1929 and has been engaged in trucking and farming during the years he has been a resident of Pahokee. "Bud," as he is familiarly known to his many friends, had been mentioned by political prognosticators as a possible candidate for chief of police but on Wednesday of this week set all rumors to rest when he announced as a definite candidate for councilman in group two.

New Sugar Employee Named At Bryant

E. C. Carnell-Sara has been employed as assistant superintendent of agriculture in the eastern division of the United States Sugar Corporation at Bryant (Azucar). He has had many years experience in Jamaica and Cuba in the sugar industry and will be assistant to Acting Superintendent W. P. Jernigan.

Nursery Will Be Discussed Tuesday

Next Tuesday night at the city hall in Pahokee a meeting will be held at which time the future of the Pahokee nursery will be discussed. All federal aid will be withdrawn March 1 and funds will have to be raised to keep the nursery financed if it is to continue to operate. Mrs. Harley Williams is giving rent on the building and has been since Dec. 1.

The Pahokee Methodist WSCS will meet at the church on Monday, Feb. 11, at 3 p. m. Mrs. Ralph Stanley will preside at the business and Mrs. T. A. Ferguson will be in charge of the devotional program.

Florida Oil Wells

Indicative of the determination to bring in a highly productive oil well in Florida is the fact that of the 217 wells drilled deeper than 12,000 feet, three are in Florida. They are in Highlands, Charlotte and Collier counties and range from 12,805 feet to 13,512 feet, all of them operated by the Humble Oil and Refining company, which has succeeded in striking oil in Florida.

Of the 217 wells in the world drilled below 12,000 feet, 125 were dry, 76 were producers and 15 are still being drilled, according to Ernestine Adams, associate editor of the Petroleum Engineer. It is noteworthy that only 11 per cent of the wells 12,500 to 13,000 feet deep are producers while 51 per cent of the deeper wells from 13,000 to 13,500 feet are producers.

Louisiana has 94 of the 217 deepest wells, California has 65, and Texas has 41. Mississippi has seven, and Alabama, Colorado, New Mexico and Oklahoma have one each.—Lake-Ledger.

Baptist Women Met On Monday

The Canal Point Baptist Woman's Missionary Union met Monday afternoon at the home of Mrs. G. L. Sims. In the absence of the president, Mrs. J. R. Heller took charge of the meeting. She gave a very interesting report on the State Convention she attended in Jacksonville. The Society decided to adopt a girl from the orphan's home to sponsor. Those present were Mesdames D. C. McRae, L. V. McClelland, M. Gibson, Juanita Harlow, J. G. Weeks, J. S. Chastain, C. R. Wetherington, Sr., G. L. Sims and two visitors, Mrs. P. H. Heller from Baltimore and Mrs. Connelly from Miami.

Refreshments of coffee and cake were served.

Statement About Overseas Mail

E. A. Jensen, Pahokee post master, this week offers a statement from the post office department in regard to overseas mail to naval personnel. The statement follows: "Effective February 1, 1946, parcels not exceeding 11 pounds in weight or 42 inches in length, or 72 inches in length and girth combined, may be accepted for mailing to Navy personnel overseas. No change has been made in the frequency of mailing or other restrictions or exceptions now applying to parcels for Navy personnel. I might add to this that such parcels should still be well packed to stand the rough handling, dampness and heat to which they are subjected, and that they should not contain anything of a fragile or perishable nature."

"Notice is also given in the same bulletin that mail service for newspapers and periodical publications admitted to the second class is being resumed to the Philippine Islands. This service applies to single copies of such publications sent in fulfillment of subscriptions, copies sent to news agents for sale, and copies mailed at the transient second-class rate either by publishers or the public."

Capt. and Mrs. E. A. Ramey visited Mr. and Mrs. H. L. Speer in Pahokee recently while enroute to Miami on their wedding trip. Mrs. Ramey is the former Miss Caroline Green, niece of Lex Green of Stark. Capt. and Mrs. Ramey will make their home in Freeman, Va.

Excellent Progress On Church Building

Pahokee Baptists are making excellent progress on the first unit, Men's Bible Class and fellowship building, of their three-unit church building program.

In a week's time the foundation for the 32 by 100-foot fellowship hall has been completed and ready for the laying of the concrete block walls. This unit was designed by church officials and is being constructed under the supervision of N. D. Evans. It will include a large 12 by 32 foot kitchen for use at fellowship dinners and similar church social affairs. Though labor and material shortages make construction progress uncertain these days, church officials hope to have their new fellowship hall ready for use by Easter.

Life On The Campus

AT PAHOKEE HIGH SCHOOL

The Eighth Grade Home Economics Class held a hay ride last Friday night. Their guests and they proceeded to the St. Lucie Canal where a wiener roast was enjoyed. Chaperons for the evening included Mr. Chaney, Mr. and Mrs. Acres, Mrs. F. McDonald Harlow, and Miss Barbara Ann McNamara.

There are several new students at Pahokee High School this week. They are: Fred Taylor, 10th grade; Elizabeth Ryals, 10th grade; Jean Wilson, 11th grade; and Loretta Wilson, 9th grade.

The Pahokee chapter of the F.F.A. held a meeting to discuss plans for attending the Florida State fair this coming week-end. It was decided to leave early Saturday morning, spend the day and night in Tampa, and come back Sunday.

The Senior Class was entertained at a party given by their room-mother, Mrs. B. J. Barwick, and Mrs. J. W. Cruthird. The party took place at the Woman's Club which was beautifully decorated, and a good time was had by all who attended.

The Juniors completed successful subscription sales campaign for the Burtis Publishing Company. Many salesmen report gracious reception received when calls were made. The girls, leading boys in the sale, look forward to ice cream treat as a reward.

Donald Harrington home on a short furlough left Tuesday to go back to his base at San Diego, Calif.

Lion Deputy Mock Reports To Club On Governor's Meeting

District Deputy Rupert Mock at the Tuesday luncheon meeting of the Pahokee Lions Club gave a report on the Lions district governor's meeting which he attended recently in Tampa.

Tentative plans were made at the governor's meeting to organize a 50-piece Lions State Band with each Lions Club in the state to be represented by one playing member, the band to perform at state-wide functions, he said. Announcements were made of the Lions State Convention, Mar. 19-21, and the Lions International Convention at Philadelphia, Pa., July 15-18.

L. V. McClelland was welcomed as a new member of the club. Visitors were Frank Hobson, Sam Berry and U. Ingeram of Belle Glade, Buddy Cochran, Billy McKinstry, Wilton Giddens and Rev. C. A. Moberg.

Mrs. Kingsley Hostess To Woman's Society

Mrs. George Kingsley was hostess to members of the Capital Methodist Woman's Society of Christian Service at the February meeting held at her home Tuesday afternoon.

At the business session with the president, Mrs. A. R. Harrington presiding, the group made plans for an all-day Bible mission study at the home of Mrs. J. P. Parker on Feb. 28. The study will be from the book, "The Divine Fatherhood."

Mrs. N. E. Maxson presented the program which had as its theme, "Peace Over Africa." Mrs. Kingsley led the devotionals.

Refreshments were served by the hostess to 13, including five visitors.

DELAY IN METERS

There has been a delay in installation of proposed parking meters in Belle Glade, according to city officials. Plans called for installation week before last but shipment of the meters from the factory was delayed on account of strikes in various industries; it was pointed out.

Mrs. Edith Cross Is Elected President Woman's Auxiliary

Mrs. Edith Cross was elected president of the American Legion Woman's Auxiliary at a business meeting held at the home of Mrs. O. R. Blech on Bacon Point Road Monday night. Other new officers chosen for the coming year were Mrs. Agnes McClelland, first vice-president; Mrs. Doris Wetherington, second vice-president; Mrs. Ora W. Powell, secretary and treasurer; Mrs. O. R. Blech, chaplain; Mrs. C. R. Wetherington, Sr., historian; Mrs. Doris Wilson, sergeant-at-arms.

It was announced that the group will hold a joint meeting with the Okeechobee and Belle Glade Legion Woman's Auxiliary in the Pahokee Woman's Club on the

night of Feb. 19 at which time Mrs. Polly Kilpatrick of Eustis, WA president of the Department of Dania, WA president of District 5, will be guest speakers. Mrs. Stanton Chaastain, Mrs. Agnes McClelland and Mrs. Wilma Lence were named on the committee in charge of arrangements for the joint meeting.

Preceding the business meeting, members of the Auxiliary were hostesses at a joint dinner meeting with Post 90 at the Pahokee Woman's Club.

CARD OF THANKS

I wish to thank the many kind friends for their thoughtfulness during the time I was confined to my bed with a broken ankle. I shall always remember these expressions of kindness.

Bible Class Reaches Goal Of 75 Attending

As the saying goes, "Nothing Succeeds Like Success." This was the experience of The Pahokee Men's Bible Class last Sunday, with 75 present, thus attaining the objective set several months ago. It is now hoped that the ultimate goal of 100 average attendance will be the crowning victory not too far hence. A special business meeting was conducted last Sunday afternoon at which time the Attendance and Membership Committee of Messrs. Knight, Shirley and Keen was appointed. Letters welcoming home the service men of this community will be mailed this week and to all returning from now on. This Sunday's lesson is one of much interest, "The Report of the Spies." Numbers

14:11-24. The quartet will present two selections. A most cordial invitation is extended to all unaffiliated men, visitors and service men, in or out of uniform. Sunday, 9:45, Lions building.

SPECIAL PROGRAM

The Church of God started a Y.P.E.U. Revival Monday under Rev. James Miller and his Sister Ruth, The Public is cordially invited to attend these services each evening at 7:15 P. M.

There will be a special service for the young people Friday. We are sure you will enjoy these services.

HOME
From The
WAR

Pfc. W. M. "Frenchy" Johnson arrived in Pahokee Tuesday night with a discharge tucked safely in his pocket after serving nearly two years in the army. Fifteen months of this time Frenchy was overseas in Italy, France and Germany. He wears the ETO ribbon, broze star and good conduct ribbon. He is particularly proud of his combat infantry badge. He will take up where he left off two years ago in operation of his store in the Streamline section. While he was gone Mrs. Johnson carried on with the store.

Charles H. Angel, gunners mate 2-c, son of Mr. and Mrs. Leslie Angel of Pahokee, received his dis-

charge from the Navy at the Jacksonville base on Jan. 30 after 42 months in the service. He was overseas in the Asiatic-Pacific theater of war for 30 months and participated in the occupation of Japan.

S-Sgt. J. W. Mullis, son of Mr. and Mrs. L. M. Mullis of Pahokee, received his discharge from the Army at Camp Blanding on Monday after 39 months in the service. A radar operator on a heavy bomber, he spent 18 months in the Panama Canal Zone and on Galapagos Island. He arrived home on Tuesday.

S-Sgt. Charles A. Baker, son of Mr. and Mrs. William Baker of Canal Point, received his discharge from the Army on Feb. 3 after 42 months in the service, 18 months of which was spent overseas in ETO. A radio operator, he

was stationed in Corsica 13 months, Austria, three months and Naples, Italy, two months. He and his wife, Mrs. Dorothy Wood Baker, are planning a trip north after a visit with relatives in Pahokee and Canal Point.

Sgt. Lionel D. Sowder is home with a discharge after three years, three months in the service, seven of which he spent on Okinawa. He received his discharge on Jan. 21. He will be at home with his parents, Mr. and Mrs. Joe Sowder in Pahokee.

Mrs. Ralph Steel and daughter, Vivian, San Francisco, Calif., who have been the house guests of Mrs. Steel's mother, Mrs. Bertha Stirling, left Tuesday for a visit with relatives in Fort Myers.

Fifth Baptist Article Of Faith
"JUSTIFICATION"

"We believe that the great gospel blessing which Christ secures to such as believe in Him is JUSTIFICATION; that JUSTIFICATION included the pardon of sin, and the promise of eternal life on principles of righteousness; that it is bestowed, not in consideration of any works of righteousness which we have done, but solely through faith in the Redeemer's blood; by virtue of which faith His perfect righteousness is freely imputed to us of God; that it brings us into a state of most blessed peace and favor with God, and secures every other blessing needful for time and eternity."

Rotary Clubs Hear District Governor

Rotary District Governor Fred Bultman of Jacksonville paid his official visit to Pahokee and Belle Glade Rotary Clubs last Thursday night when the two clubs met jointly in the Lions club building in Pahokee. Mrs. Key served one of her usual famed dinners of fried chicken and all the trimmings. The meeting was one of the shortest in the history of the Pahokee club—57 minutes—starting at 7 p. m. and adjourning promptly at 7:57. At 5:30 in the afternoon the district governor met with President Otto Bleech of the Pahokee club and all club committeemen. For an hour the group discussed Rotary work done by the Pahokee club during the past year and plans for the coming year. Shortly after the 7:57 adjournment the district governor met with Belle Glade President Luther Jones and club officials for another conference. A large number of the Belle Glade members were present.

Mr. and Mrs. Steve Lovett and his mother of Haines City visited friends in Pahokee and Canal Point Monday while enroute to West Palm Beach for a visit with Mr. and Mrs. J. B. Cox.

Hamburger Supper For Training Union

Mrs. C. A. Brown, social director of young people's work at the Pahokee Migratory Labor Camp, entertained at the camp grounds Monday night with a hamburger supper for members of the Pahokee First Baptist Training Union. Guests were Mary Mullis, Betty Urwin, Marian Jones, Jean Cruikshank, Norma McCurdy, Fred Taylor, Carney Marshall, Jerry Fred, Randolph Kemp, J. E. Spooner, Tommy Sullivan and Bob Fuqua.

The BTU now meets regularly every Sunday evening at 6:30 o'clock at the Lions Hall. All young people of the community are invited to attend.

Pahokee Cub Scouts To Re-organize Tonite

There will be an important re-organization meeting of the Cub Scouts in Pahokee tonight (Friday) at 7:30 o'clock at the Pahokee school building. W. E. Nexsen, scout executive, will be present for the meeting and present a new film on "Cub Scouting." All boys of Cub age—9, 10, 11—are urged to be present and bring their parents.

Missionaries Will Visit Glades Area

The first of the series of Florida Chain of Missionary Assemblies Meetings in the Glades will be held on Friday evening, Feb. 8th at 8 p. m. at the Methodist Church of Belle Glade. Dr. Francis W. Brush will speak on "Philippines Face the Future." Because he refused to sign the pledge of cooperation with the Japanese, the Rev. Francis W. Brush, Th.D., with his wife and two children, spent three years as a prisoner in Santo Tomas Camp in Manila. When Mrs. Brush was found reading literature printed by the Filipino underground, she was separately interned at Fort Santiago for seventy-two days. Dr. Brush has a great story, and the public is invited to attend this Union Service when he will speak.

On Wednesday, February 13th, the next meeting will be held in the Methodist Church of Pahokee at 8 p. m. Dr. Frank C. Laubach who is considered as one of the greatest Christian leaders in the world to-day, having championed the world-forgotten men, the illiterates, will be the speaker. This meeting is open to the public and a large number of citizens of Canal Point, Pahokee and Belle Glade are expected.

The people of the Glades will have the opportunity to hear Dr. Arthur Billings Hunt present a concert on Thursday February 14th at the Pahokee Methodist Church at 8 p. m. Dr. Hunt says "music is a weapon" and as officer in charge of the music in the European Theatre of operations for 27 months, he ought to know. It helped to keep up the spirits of the fighting men and also was a major extracurricular concern of the Army because one third of the

U. S. personnel were potential singers or instrumentalists. During the Concert, Dr. Hunt will tell of "The Power of Music in Wartime."

PAHOKEE BAPTIST CHURCH

Last Wednesday night an unusually large congregation was present at the First Baptist Church of Pahokee. The Illuminated Cross Prayer Meditation was entered into. It is through the medium of prayer that the church endeavors to complete its building program. The regular offering for last Sunday amounted to \$1000.50. The pastor announced that no financial campaign will be entered into. The program laid down by the Lord in Exodus 25 and 36 will serve as the pattern. The building of the church will progress in keeping with the spirit and support of the Wednesday night service. This Sunday the pastor, Rev. C. A. Moberg will continue his series of sermons on the Sermon on the Mount. A most important subject, "Let Not the Sun go down on thy Wrath." At night the fifth Baptist Article of Faith, "Justification", will be preached. Special music will be the order of the day.

Personal Items

Miss Mary Collar of Lantana, former Pahokee school teacher, spent the weekend here visiting Mrs. Hugo Boe and family.

Miss Margaret Anderson, student at Junior College, West Palm Beach, visited her parents, Mr. and Mrs. H. J. Anderson, in Pahokee over the weekend.

Vernon A. Henderson, WT 1-c, is home on a 30-day leave after 21 months of duty in the Pacific. While in the Glades he will visit his family and his parents in Lake Harbor and his brother and sister-in-law, Mr. and Mrs. Vinson Henderson, in Pahokee.

Mr. and Mrs. W. L. Raborn of Madill, Okla., who have been visiting Mrs. C. A. Shive and other relatives in Pahokee for the past three weeks, left this week for Fort Myers where they will be the guests of Mr. and Mrs. Albert Herron.

The Pahokee Chapter, Order of Eastern Star, will meet in the Masonic Temple on Thursday evening, Feb. 14. A valentine program will be featured.

New Paths for Long Distance!

To take care of the continued heavy volume of long distance calls, thousands of miles of long distance circuits are being added to the South's telephone network.

As construction work progresses, calls now sometimes delayed, will begin to find new paths. In the meantime, if your call happens to be delayed, we hope you will understand. We are faced with a big job that will take a lot of time and money to complete. But we are going at it eagerly and efficiently with every resource at our command.

Cinematic Chatter

By Malcolm Millar

Sunday-Monday at the Prince Theatre comes a show that a lot of people have asked me about, and I'm glad at last to report its screening.

Lovely Barbara Stanwyck with charming Dennis Morgan as her leading man turns in one of her grandest performances in this picture, which tells of a soldier who is advised to spend some vacation time in the country. He comes to this Connecticut home and there he meets Barbara Stanwyck, and upon this meeting and the ensuing events hangs one of the sweetest stories ever recorded on the screen.

Tuesday - Wednesday Wally Brown and Alan Carney move in with their latest try, which is "Radio Stars on Parade". It is said to be a very funny show and that there is a lot of first rate talent used in its presentation.

On the same bill comes lovely Gloria Jean and Kirby Grant in "Easy to Look At". After viewing this one you will agree with me that this little lady is "Easy to look at" . . . period. I am sure you will enjoy this show.

Thursday - Friday Jimmy Lydon and Sally Eilers will do a mystery play with an unusual twist under the title "Out of the Night." This is a strange story of a dream that lead to the capture of the murderer of a boys father.

Basil Rathbone and Nigel Bruce move in on this program with their offering from a Scotland Yard story under the title "The Woman in Green." This one has all of the mystery, the "deductions" and the "elementary" aspects as found in all of the Sherlock Holmes variety of mystery stories. I believe you'll like it.

Saturday comes Eddie Dew and Maris Wrixon in their western offering under the title "Trail to Gunsight". Its the usual Western actionated picture.

See you at the movies—Mal.

Founders Day Is Observed Monday By Pahokee PTA

Founders Day was observed by the Pahokee Parent-Teacher Association at the February meeting held in the high school auditorium Monday night.

Mrs. Frances Harlow, program chairman, introduced Mrs. W. P. Jernigan who presented the special Founders Day program. Candles on the large birthday cake were lighted by Pahokee PTA past presidents who were guests of honor. Corsages and boutonnières were presented to the past presidents by the PTA. In a Founders Day talk Mrs. Jernigan reviewed the history of the local PTA which was organized in 1929. Mrs. Thadd Whidden, vocal soloist, sang, "The Kashmiri Song" and "Mighty Lak A Rose," accompanied at the piano by Rev. C. A. Moberg.

At the business session the group approved the recommendation of the executive committee to appoint Duncan Padgett, Elmer Jones and Arch Blakey on a committee in charge of the PTA project of installing tables and benches at the city recreation park. President C. A. Moberg, in behalf of PTA, presented a set of World Book Encyclopedia to Principal D. D. Caudill for the school. The monthly attendance awards went to Mrs. Cleo Douthitt's third grade at the elementary school and to the eleventh grade at the high school.

On display in the school cafeteria during the social hour was a Junior Red Cross exhibit from the regional office in Atlanta. Refreshments were served by Mrs. R. J. Schroder, Mrs. L. L. Shirley, Mrs. Roy Segree and Mrs. Becky Stirling, hostesses.

Dow Geiger Named Chairman Scouts In North District

Dow Geiger was elected chairman of the North Glades District, Gulf Stream Council of Boy Scouts, at a district meeting held at the Pahokee Lions Hall Monday night. Other officers elected for the year were Frank Rozelle, district commissioner; O. R. Bleech, leadership training and finance committee chairman; J. V. Thomas, camping and activities chairman; V. C. Denton, organization and extension chairman; Alton Jones, advancement chairman; Dr. Wilburn C. Young, health and safety. Paul Rardin and O. R. Bleech, committeemen, represent the North Glades District on the Gulf Stream Council. Orin Bacon gave the report of the nominating committee.

Plans were made to observe Boy Scout Week, Feb. 6-14, in the district. Posters publicizing the scout movement will be on display in the windows of Pahokee and Canal Point stores. An exhibit of boy scout handicraft will be shown in the show window of Kahn's Department Store and members of Troop 23 will be honorary officials of the city of Pahokee on Wednesday, Feb. 13.

Announcement was made of the reorganization of the Canal Point Cub Pack 24 at the Canal Point school auditorium on Thursday evening of this week. W. E. Nexsen, assistant scout executive of West Palm Beach, was present at the meeting.

B. ELLIOTT HAS NO OPPOSITION IN RACE

B. Elliott, State Representative in Group Two from Palm Beach county, was wearing a big smile this week following passage of the Feb. 1 deadline when it became too late for anyone to qualify against him for re-election. Mr. Elliott will be returned to the State Legislature in 1947 without the formality of making a campaign throughout the county. He automatically becomes the nominee of the Democratic party for this particular job in the fall elections scheduled for November 1946.

Power Co.—

(Continued from page 1)
available, from the north or from the south, both tied into the large plants and system of the Company. The stupendous growth of the Everglades with its unexcelled farm lands has been carefully followed by the Company to the extent that 46½ miles of new distribution or service lines have been built throughout the area during the past year, with 29 additional miles under construction. Virtually every farm or farm operation in the area from Clewiston to the north/end of Indiantown and west to a line paralleling Twenty-Mile Bend is now served with unlimited power.

It is difficult to believe that in 1930 there were 408 electric customers in the Everglades; 1,000 in December 1935; and 2,784 in December 1945, an increase of 178% in ten years. The total load on the Everglades plants in 1935 was 725 kilowatts, about enough to serve the new Florida Ramie Products Company plant, now under construction. This shows a growth in the power demand made on the Company's facilities of 506% during a ten-year period. In 1930 there were 50 farm customers as compared to 131 to date. This might seem a small number but the character of the Glades is such that extremely few farmers live on their farms. They reside in homes in Pahokee and Belle Glade and other communities comprising the Everglades. A great number of the actual farms and farm operations are served under commercial and industrial sched-

ules. So it is interesting to note that in 1930 there were 134 commercial customers as against 872 in December 1945. In 1930 there were but eight industrial customers and it remained this way for five years. But in December 1945 there were 74 industrial customers. The population growth of the Everglades is reflected by the fact that there were but 198 residential customers in 1930, 555 in 1935 and 1,675 as of this past December.

It is easy to see the source of this growth when we realize that in 1930 only 2,104 cars of vegetables were shipped during the season, 5,540 in 1935, and the overwhelming mass of 14,569 cars in 1945.

Lands Her First Sail Off Palm Beach

Mr. and Mrs. Sumner Bates, Springfield, N. Y., Mr. and Mrs. Carl Witt of Gowanda, N. Y., Harold Rosenberg and his mother, Mrs. Grace Rosenberg, formed a fishing party on "Fun 2" fishing from Leyton's Dock in West Palm Beach last Saturday. Mrs. Rosenberg landed the only sailfish, measuring 7 feet, 2½ inches and tipping the scales to 47 pounds. It was her first sail. Members of the fishing party were guests of Mrs. and Mrs. Bates on the trip.

Ens. Glen O. Hatfield of the U. S. Maritime Service is at home with his parents, Rev. and Mrs. W. O. Hatfield in Canal Point. He is expecting his release from the service. He recently returned from a trip to Belgium.

CARD OF THANKS

We wish to extend our appreciation and thanks to the people, who were so kind during the illness and death of our father, and for the many floral offerings that were given.

J. D. and C. H. Pope.

A luncheon meeting of the Pahokee Woman's Club will be held at the clubhouse on Tuesday, Feb. 12. Arrangements will be under the direction of Mrs. R. F. Hurt, assisted by Mrs. Vinson Henderson. Mrs. Sadie Barwick will preside at the business.
